

Financial Aid

Green Country Technology Center offers opportunities to meet financial need through the grants. Students in the Practical Nursing program may receive financial aid for the 12 months of the program. Students applying for a grant must submit an application to Financial Aid officer.

Forms for the following may be obtained from the Financial Aid officer:

Physician's Manpower Grant

- -for US citizens living in Oklahoma
- -must be accepted into the program
- -matching and non-matching funds
- -\$1000/year for 1 year
- -must work one year for the year of financial assistance
- -work obligation can be met in all OK medical facilities **EXCEPT** physician's offices, proprietary home health agencies, private duty practice, research, federal facilities, and industrial or summer camp nursing.

PELL Grants

- available for documented financial need. It is a federal entitlement program, which means that students who are determined to be eligible will receive a Pell award. After the Free Application for Federal Student Aid (FAFSA) is processed, a Student Aid Report (SAR) is sent directly to the student from the federal processor. The student must give the SAR to the Financial Aid officer before awards can be determined.
- The following web sites on the Internet provide an incredible amount of information about financial aid for school, where to find it and how to get it.
- **<http://www.studentservices.com/fastweb>**
- A file is complete when the Financial Aid officer receives the SAR and if chosen for verification, tax returns and a verification worksheet. When the student's financial aid file is complete, and award letter will be issued. The award letter will indicate everything for which the student is eligible. Any financial aid received by the school for the student will be applied to the account balance. the funds will be disbursed upon the discretion of the school.
